

Minutes of the Executive Committee Meeting 06 October 2012

Present: Brycchan Carey (Chair); Sarah Sanders; John Mercer; Mike Brettle; Peter Condon; Nick Hardiman; John Mossman; Jenny Docherty

Apologies: Sarah Sanders;

Minutes from the last meeting were unavailable

Co-ordinator report

There would not be a meeting in October because of the Green Day

The barbeque was noted with thanks to John and Anna Mercer.

Treasurer

The accounts are healthy. We will apply for a grant from the PC.

Transport

We will have a Discussion Meeting on transport on the 14th November

John Mercer led discussion on a possible village minibus, organised by the community. The existing services are heavily subsidised but there was a feeling that a minibus might be more economic.

Planning

The Parish Council are looking into a landscaping scheme for the land at the back of Chapelfields. The meeting had several comments: –

- The dog training area seems excessive
- There was some concern at the possible cost of a maze
- Council should keep to a wildlife friendly brief.

BC has commented on the SCDC Local Plan (under consultation) on behalf of GEAG but only on those issues within GEAGs remit.

Gazette

It is becoming difficult to find material. Fitting to the template is difficult anyway and it may be necessary to vary font size.

Green Day

John Mossman has leafleted Everton, Eltisley and Waresley. Gamlingay and Cockayne Hatley would be leafleted later that weekend.

BC will prepare and put up notices on the routes into the village.

There will be an opportunity to report on the event in the Gazette.

AOB

Xmas party: -

This will be on a Friday in December. BC will check dates with Fay at the Crafty Cupcake.

We will invite Bridget Mapley to join our committee.
